“There are many school going children who do not have proper breakfast in the morning. With an empty stomach how can they study? Children are the next generation youth and it is our responsibility to nurture them right from the beginning. Children who either cannot afford or are not being served breakfast at home, should not go hungry to school as it is detrimental to their physical and mental health.”

ABOUT

SRI SATHYA SAI ANNAPOORNA TRUST

The Sri Sathya Sai Annapoorna Trust is a charitable trust headquartered in Muddenahalli, Chikkaballapur District of Karnataka, India. As a volunteer driven organisation, the Trust which was set up in November 2015, primarily strives to feed nutritious, well-balanced breakfast to all school-going children in rural India and disadvantaged sections of the society. It also seeks to enable holistic development of children by actively engaging with the school authorities and helping them integrate an ethos of academic as well as human excellence.

Its flagship activity “Annapoorna Breakfast Programme” has been conducted by over 600 volunteers providing free morning nutrition to over 200,000 school-going children at 3000+ schools located across 15 states and 2 Union Territories. The programme has led to excellent reception from the schools as well as positive impact in terms of increased attendance, better health, and improved academic performance of the children.
