

SRI SATHYA SAI  
**ANNAPOORNA**  
LET NO CHILD GO TO SCHOOL HUNGRY EVER

# ANNAPOORNA

## The Gift of Nutrition

August 2019

# CSR Event with Oracle

A team of volunteers from Oracle joined hands with the volunteers from Annapoorna to conduct a CSR (Corporate Social Responsibility) event at Nagarbhavi Government School in Bangalore, where Annapoorna provides breakfast for the children.

The team concentrated more of their efforts on providing an educational session for the children, followed by a session of playing sports with them. The team further encouraged the children to 'go green', by helping them participate in a tree-planting drive.

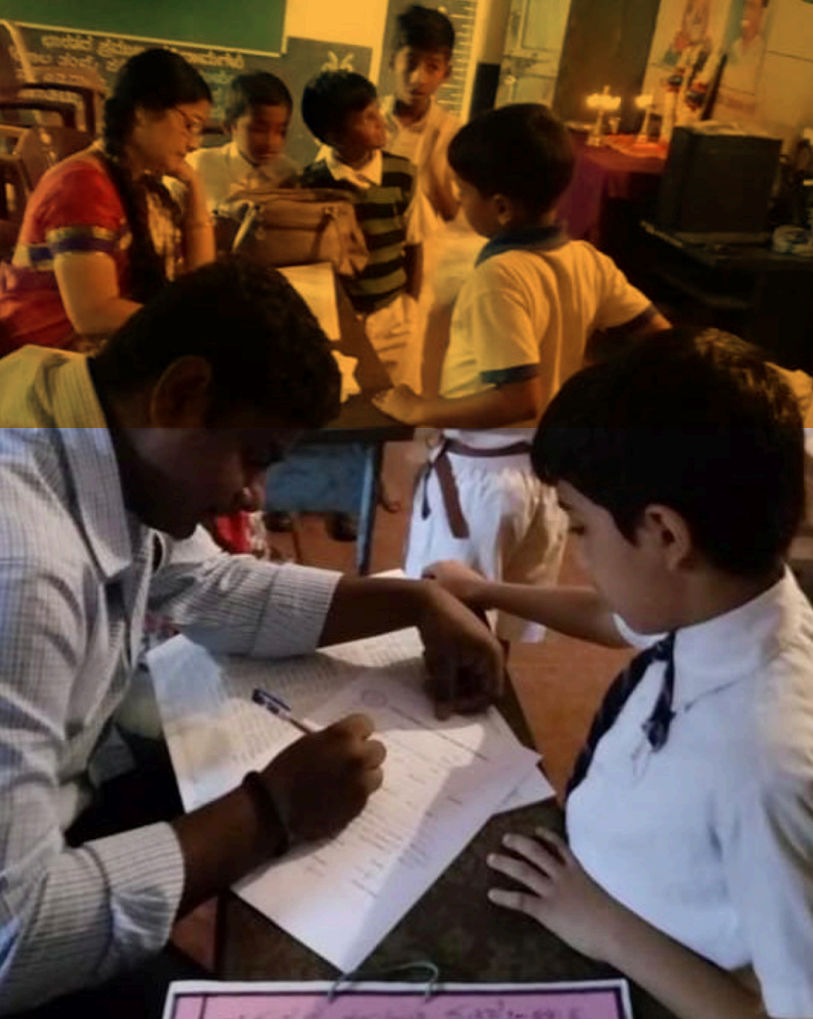

The Oracle team took this opportunity to gift the children with stationery.

## Medical Checks for Anthargam village students

The volunteers from Annapoorna conducted a medical check for the children at Anthargam village in Telangana where the Breakfast Programme was recently started.

About 15 girls were observed to be having lower levels of haemoglobin. In order to immediately address this, Annapoorna volunteers have provided them with the required supplements as per doctors' advice.

## Medical Camp in Hubballi's School No.2

**A**nnapoorna volunteers from Hubballi arranged for a free medical camp in School No. 2, located opposite the Town Police Station in Broadway area in the city of Hubballi. About 89 children benefited from this medical camp!

The Annapoorna Team from Hubballi plans to conduct free medical camps every month in various schools across the city.

## Breakfast for Tribal School in Amboori village

**A**nnapoorna Breakfast Programme has been launched to provide breakfast to school children of the Puravimala Tribal Lower Primary School. This school is in the village of Amboori, in the Trivandrum district of Kerala State.

# CSR event with 'Anarock'

**A**nnapoorna and 'Anarock Property Consultants' came together to conduct a CSR (Corporate Social Responsibility) activity. The teams conducted the event at Sanghameshwara School in Byrasandra in Bengaluru, where Annapoorna serves breakfast to the school children. Anarock's employees engaged the school children with fun filled games!

Annapoorna appreciates Anarock for taking the time out to interact with the children!

**A**nnapoorna is happy to share that Tata Sustainability Group's (TSG) project "Tata Engage" has approved and listed the Annapoorna Breakfast Programme under their current "ProEngage10" edition!

With this, interested folks from Tata Group can avail the opportunity to visit an Annapoorna supported school as a mentor/faculty and conduct classes on various subjects.

On these lines, a project will be launched for six months to help the Annapoorna supported Sri Suraj Sarwajanik M. E. School in Bistupur, Jamshedpur.

# Annapoorna's Collaboration with Tata

## Shaping the future of slum children

**T**he Annapoorna team from JP Nagar in Bengaluru serves breakfast daily to children belonging to the Ragigudda slum. The Annapoorna chapter here has always been unique in terms of engaging the children, beyond nurturing them with healthy breakfast, they arrange for activities ranging from festival celebrations, medical camps,

cleanliness drives to picnics and outings. One other important aspect of the volunteers' selfless efforts deserves to be highlighted - Academics! The volunteers felt the need to help the children to sharpen their academic performance. They take extra time out during the weekends to help the children with their studies by donning the hat of a tutor!

What is also heartwarming is that the volunteers support a few needy children with academic fees, school uniform, and so on.

Kudos to the volunteers for their selfless efforts in shaping the future of these wonderful children from the slums!
