The Gift of Nutrition

June 2019

Manasa, who was helped to find a shelter by Annapoorna volunteers, is all set to participate in the 2019 World Youth Open Bridge Championships! Annapoorna volunteers found Manasa sleeping on the streets in Yeluvahalli and she was unfortunately found to be an orphan. Annapoorna volunteers helped Manasa find a shelter in an orphanage close by, in Vibhuthi Pura. It is a moment of great pride that Manasa will be participating in the 'under 16', '2019 World Youth Open Bridge Championships' to be held in Croatia in August.

A heartwarming moment for Annapoorna

Annapoorna wishes Manasa the very best for her performance at the 2019 World Youth Open Bridge Championships!

Helping Children's Enrollment in Swami's School

By Swami's Grace, a few children from the Tubharahalli School got admission into Swami's schools. In order to help the needy children's families with the process, about four volunteers met at Tubharahalli School and worked with the Headmaster who had come during the holidays to issue Transfer Certificates. The children were taken to a General Clinic and an Eye Hospital for the necessary checkups for the certificates. Furthermore, seven volunteers joined hands in the evening and sorted out the 40 or so items required for the children, and placed them into eight bags for each of the children selected for Swami's schools!
