SaiSure is a malt-based multi-nutrient supplement, specifically designed for the growth of children. It meets the protein, vitamin, mineral requirements and designed to meet 50% of the recommended daily allowance (RDA) of most of the Micro-Nutrients. It is easily scalable and is well received by children due to its delicious taste. The marked improvements post consumption of SaiSure in children besides improved health parameters is multi-fold, like reduction in drop-out rate of children and increase in punctuality and attendance, thereby resulting in better academic performance.

Towards a vision of India that is free of stunting, wasting and anaemia, and until no child goes to school hungry ever, Sri Sathya Sai Annapoorna Trust continues to address the nutrition needs

at various rural hinterlands of India. Setting a child on a proper course with good daily nutrition and the ability to attend and succeed in school is our collective social responsibility and one which will go a long way in nation-building.

Sri Sunke Ravishankar – MLA of Choppadandi launched a new sticker of the Annapoorna Morning Nutrition programme, which will be put on view in every school. With this expansion of serving 6,500 more children in Kodimial and Mallial mandals, the Trust has reached a total of 20,000 children across 200 schools in the entire district. Sri Ravishankar spoke to the gathering about how this nutrition drink will eradicate malnutrition and notably increase blood hemoglobin levels. Hence, he urged the children to have the health drink on a daily basis and thanked the Trust for the noble initiative.

Mr. Srikanth Vooturi – Jagtial District Coordinator from Annapoorna Trust, said it was a pleasure to have such a dynamic leader in the constituency who is very caring about every student and appreciated the way he spends time with the children joyously with fun and laughter. Hence, all the students have learned the importance of the nutrition drink and accepted it joyously.

The MEO – Mr. Srinivas further said there will be blood tests conducted on students to study the difference in hemoglobin levels, before and after consumption of the health drink.

“SaiSure – Raagi Variant” (Finger Millet), will be given to the children studying in all government schools in Kodimial and Mallial Mandals of Jagtial district. Each child will receive 150 ml of hot delicious and nutritious “Ragi Malt” drink, prepared by adding 10 grams of Ragi and 5 grams of Jaggery to 150 ml of hot water. “Raagi Cereals Health drink” contains significant amounts of vitamin C and E. It is also high in B complex vitamins thiamine, riboflavin, niacin, folic acid, calcium, magnesium, iron, and phosphorus. With the introduction of this millet-based health drink, Annapoorna Trust aims to reduce undernutrition or ‘hidden hunger’ in children. The U.N. General Assembly recently adopted a resolution, sponsored by India and supported by more than 70 countries, declaring 2023 as the International Year of Millets with the intention of increasing public awareness of the health benefits of millets. The UN dedicates the year to greater efforts in producing millets, given their nutritional properties and resilience in adapting to climate change.

Addressing the gathering, the Chief Guest, Smt. Deshpande Madhavi said, "Annapoorna Trust has come forward to support the entire district of Peddapalli by providing Morning Nutrition in the form of Ragi Cereals Health Drink to 30481 students in 549 schools." She further said that it has started currently in Peddapalli and Palakurthy mandals, and very soon would start in all the remaining 12 mandals in the district.

Annapoorna Trust has introduced a Millet-based health drink to more than 500,000 government school children in the states of Andhra Pradesh and Telangana. In line with POSHAN Abhiyaan, the Trust targets to reduce undernutrition, stunting, and anaemia among children, women, and adolescent girls, and also aims to reduce the instances of low birth weight. Till March 2020, Annapoorna Trust had been serving over 470,000 school children in Karnataka, Puducherry, and other states by providing SaiSure health mix that complements the respective State Govt. Sponsored Milk Schemes. "The U.N. General Assembly recently adopted a resolution, sponsored by India and supported by more than 70 countries, declaring 2023 as the International Year of Millets. The resolution is intended to increase public awareness on the health benefits of millets and their suitability for cultivation under tough conditions marked by climate change."

- ● The collaboration with Amazon Web Services (AWS) will benefit 5000 children with Morning Nutrition in Ranga Reddy district. The children will be given Ragi Cereals Health Drink along with peanut chikki (a traditional Indian sweet generally made from nuts and jaggery) for all 6 days. Different varieties like peanut chikki, peanut-millet chikki, and peanut-millet-sesame seeds (til) chikki will be provided every day. AWS has been involved in improving the infrastructure and upgradation of school facilities of the ZPHS campus at Meerkhanpet, to provide a positive environment for their physical and mental well-being.

Sabita Indra Reddy – Education Minister of Telangana state spoke as, “Today I want to tell the children importance of Nutritious food. They need to be habituated to nutritious food instead of junk ones. Ragi Cereals Health Drink will give energy. Previously people used to eat only Rice. Nowadays people & children are getting to know the importance of millets & energy rich foods. Am very happy Annapoorna Trust have included Ragi cereal health mix as part of Morning nutrition in Government schools.”

Chris Vonderhaar, Vice President of Data Center Planning, Delivery, and Operations at Amazon Data Services, Inc. who was present at the event said, “The Meerkhanpet Zila Parishad High School renovation, breakfast program, and the AWS Think Big Space represent our larger commitment to the community in Telangana. Over the last three years, AWS has renovated several pre-primary and primary schools, and hospitals and constructed rural libraries. AWS hopes that these initiatives will benefit the community and help keep children fully engaged in the world of learning.”

Breakfast is the most important meal of the day. By serving a balanced and filling breakfast, Annapoorna Trust seeks to meet the nutrition gap in children from rural India and disadvantaged sections of society. As research has shown, this Morning Nutrition program has shown a lasting effect on the health of children and aids in their physical and mental well-being, academic achievement, and cognitive development.

MORNING NUTRITION EXPANSION IN PUDUCHERRY

12TH AND 14TH DEC 2022

Morning nutrition expansion took place in the Karaikal, Mahe, and Yanam districts of Puducherry Union Territory on 12th & 14th December 2022 where SaiSure multi nutrient health mix is provided to Govt school children. Previously, in June 2022, official launch had taken place in Raj Nivas, in the presence of Hon. Lt. Governor of Puducherry Dr. Tamilisai Soundararajan. With this expansion in all 4 districts in Puducherry Union Territory, Annapoorna Morning Nutrition now has its presence in 267 schools serving 27,575 children.

The health mix will be provided on all 5 days a week, along with milk provided by the Puducherry government. The launches were held in Karaikal and Mahe districts on 12th December 2022, and in the Yanam district on 14th December 2022, both presided over by government officials and school staff.

On 12th December 2022, SaiSure Multi Nutrient Health Mix was launched in Government Middle School, Thirunallar in Karaikal district. A total of 7961 children in 90 schools will receive Morning Nutrition. The event was attended by the CEO – Mr. K Rajashekar, the Mid-day meal in charge – Mr. Vijayakumar, the HM, organizers, and cooks. From Annapoorna Trust, Mr. Saravanan – Regional coordinator of Tamil Nadu, was present.

On the same day, 12th December 2022, another launch in Mahe district was held in Government Lower Primary School, attended by CEO – Mr. Uttamraj and Regional Administrator – Mr. Shivaraj Meena. From Annapoorna Trust, Mr. Santosh Allath – National Manager, and Mr. Jaya Krishnan – Regional Coordinator of Kerala, and volunteers – Mr. Satishan, Mr. Rajesh, and Mr. Ranjeeth, were present. In this district, 1462 children from 8 schools will receive SaiSure Multi Nutrient Health Mix on all 5 days a week.

At the event, the Regional Administrator – Mr. Shivaraj Meena said, “Annapoorna Trust has brought out a wonderful Morning Nutrition programme for the benefit of children. Request each one of you to partake SaiSure every day, make the best use of the opportunity and come out as healthier beings. Some of the children would get a small packet of other health and nutrition mixes available in the market, to school to mix with the milk provided by the government. Now those children will save at least Rs.100/- every month instead of spending on health and energy powders available commercially. We also request the Trust to start for lower and upper kindergarten children in the entire Puducherry Union Territory.”

On 14th December 2022, SaiSure Multi Nutrient Health Mix was launched in Dr. Zakir Hussain Govt. English Medium Primary School, Yanam district. It was held in the presence of dignitaries like the CEO- Mr. Praveen, and the Regional Administrator – Mr. Muniswamy. From Annapoorna Trust, Mr. Santosh Allath – National Manager, was present. A total of 2,000 children across 18 schools in this district will receive Morning Nutrition.

SaiSure Multi Nutrient Health drink was provided by the dignitaries to the children. They absolutely relished the taste. Total of 27,575 children across 267 schools in the entire Puducherry Union Territory – Puducherry, Karaikal, Mahe & Yanam districts will receive SaiSure Multi Nutrient Health Mix on all 5 days a week. This health mix is scientifically designed to provide vital nutrients, meets the protein, vitamin, and mineral requirements, and is designed to meet 50% of the recommended daily allowance (RDA) of most of the Micro-Nutrients, acting as a wholesome meal in itself. With the Trust’s constant endeavour to ensure that no child goes to school hungry ever, SaiSure is indeed the solution to the ‘hidden hunger’ of several children.

- SaiSure is a multi-nutrient supplement, a malt-based composition for pregnant women, toddlers, preschool, and school children. It meets the protein, vitamin, and mineral requirements and is designed to meet 50% of the recommended daily allowance (RDA) of most of the Micro-Nutrients. It is an example of Annapoorna trust adding value to the Ksheera Bhagya scheme of the Government of Karnataka, where the government provides milk to children, while Annapoorna trust adds the nutritional element in the form of the health mix. The tasty and highly nutritious SaiSure health mix augments the milk provided by the government to the school children in the morning making it a wholesome drink.

The event was held in the presence of Sri C S Puttaraju – MLA of Melukote. From Sri Sathya Sai Sharadaniketanam, Sri Jayaramareddy – Secretary and Founding member, Sri Rajashekar – Chairman, and Sri Jeevan – Vice Chairman, were present. Also present were several members of Gram Panchayat, senior citizens, school children, and staff.

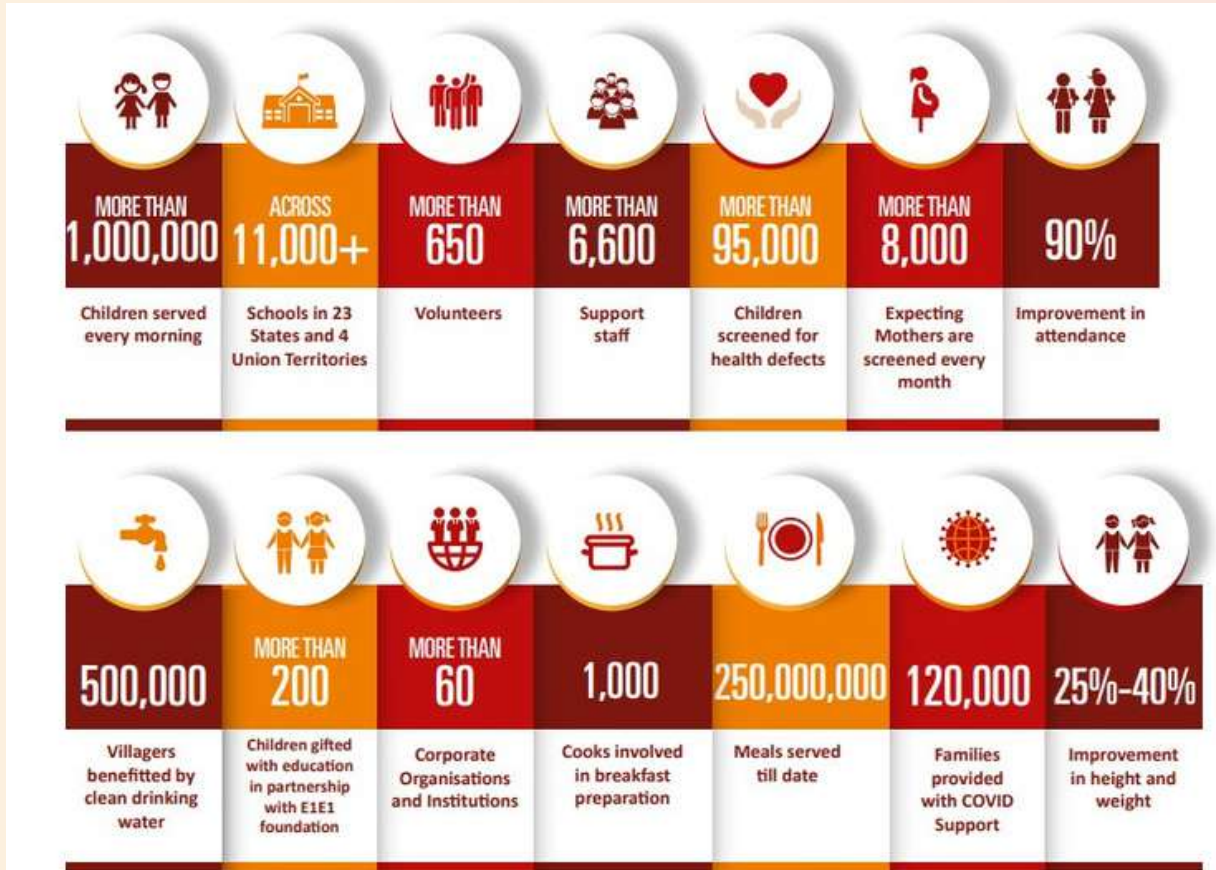

Addressing the gathering, Sri C S Puttaraju – MLA of Melukote spoke about how treatment for any illness was through home remedies in the olden times. He said the responsibility of the physical and mental well-being of children, who are future citizens of the country, lies on all of us. Sri Sathya Sai Annapoorna Trust, which has taken this responsibility performing selfless activities around the country, is highly appreciable. Stressing the importance of nutrition for pregnant mothers and growing children, he explained SaiSure Multi Nutrient Health Mix is a health powder providing vital nutrients and micronutrients acting as a wholesome meal in itself. ‘Collaborating with the government, the Trust has reached the far corners of the country to provide Nutrition to the children. Reaching our village, Marachakanahalli, by the Trust, is our fortune!’ he said.

This event was covered in the media as well.

The efforts of Annapoorna Trust have brought nutrition to the doorstep of school-going children, even in the unserved remote geographies of rural India, with the dream to build a nation, where no child goes to school hungry ever!
